Banner type signs. Banner type signs must be attached or mounted in one of the following manners:

- a. mounted flush against a wall of the main building; the maximum banner size shall not exceed 5% of the wall surface.
- b. mounted in a painted metal frame that encloses the banner on at least 3 sides; the maximum banner size shall not exceed thirty-two square feet (32 sq. ft.); the frame may not stand empty, and it must be removed if the banner is not in use.

Pennants. A pennant shall be attached at a height of at least eight feet (8 ft.) from the ground and shall not touch the ground. A pennant is the only type of sign that may be attached to an on-site utility pole; the maximum pennant size shall not exceed thirty-two square feet (32 sq. ft.).

Number of signs. Only one temporary sign, regardless of type or category, may be displayed at any given time, except that a temporary new business sign as provided in Section 605.7(d)(4) may be displayed along with one other temporary sign.

Dimensions of signs. Unless otherwise specifically provided herein, the size of a temporary sign shall not exceed thirty-two square feet (32 sq. ft.).

Is this tract/parcel or development restricted by any recorded covenant that is contrary to, conflicts with, or prohibits the activity described in this application? YES NO

Submit plan showing: location, size, mounting method, materials to be used and any other information deemed necessary by the zoning administrator.

The undersigned does hereby verify that they are the applicant or a qualified agent thereof and accepts responsibility for accuracy and gives the City of Gaffney permission to obtain whatever information is necessary to review this application.
