

NOTICE

Street Closing

TO: All Citizens and Residents using Salem Road

From: Barry Bundy, Assistant Public Works Director/ Streets Dep't Manager
City of Gaffney

Date: August 6, 2021

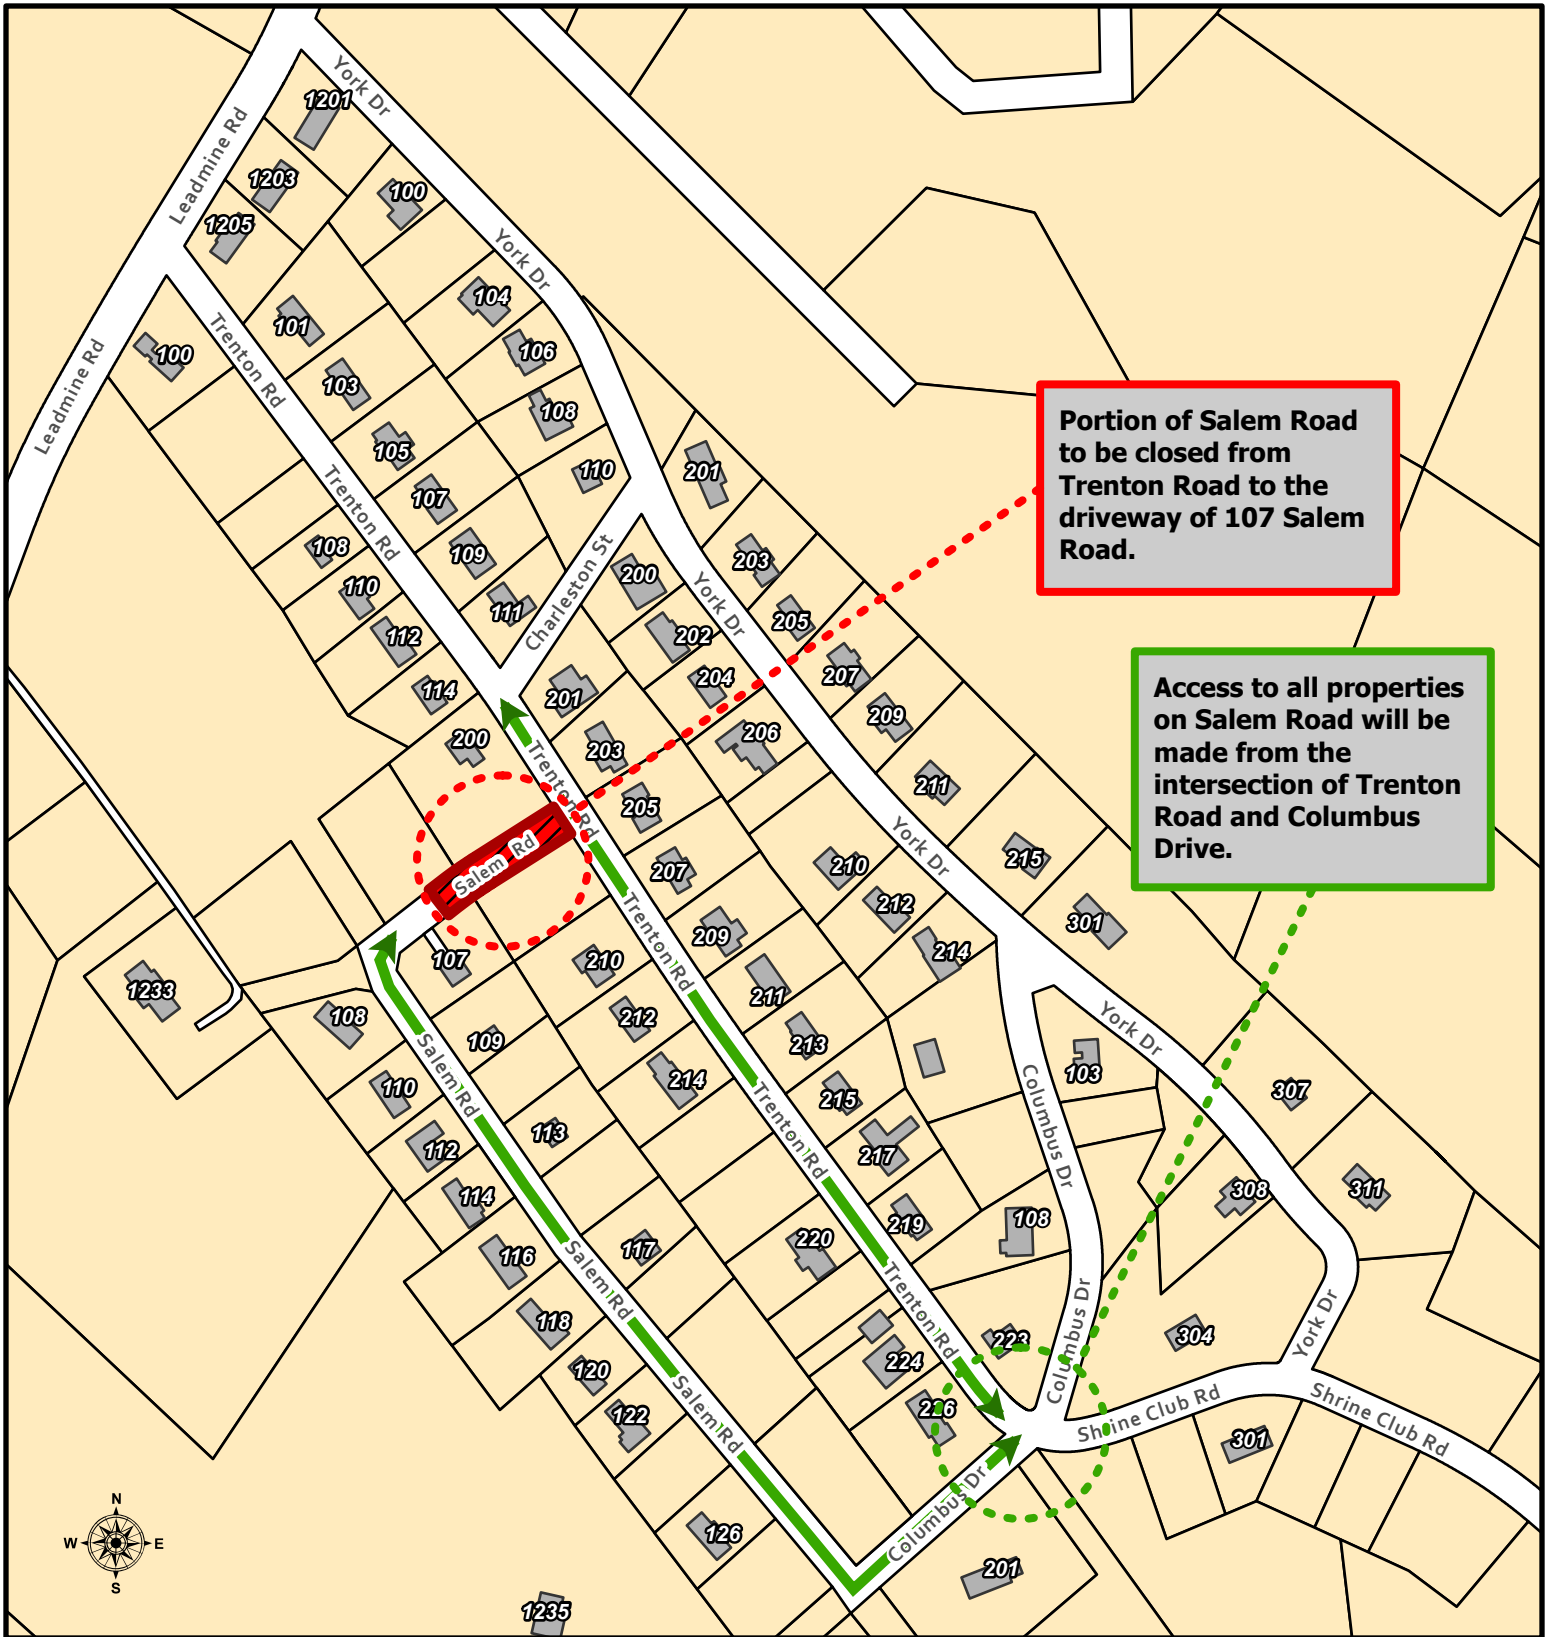

RE: Street Closing of Salem Road

The City of Gaffney's Streets Department will be replacing the storm pipe on the north end of Salem Road, between the driveway of 107 Salem Road and its intersection with Trenton Road. The repair work will require this portion of Salem Road to be closed during construction and repairs.

We expect to close and barricade this portion of the road starting on **August 11, 2021 (weather permitting)**. This road will be closed until the work is completed, which we anticipate to take approximately two or three months. Access to all properties on Salem Road will be made from the intersection of Trenton Road and Columbus Drive. See attached map for details of the road closure, as well as the detour route.

This will serve as official notification of this street closure. If you have any questions, please call 864-487-8510 and ask for the Streets Department.

We thank you in advance for your cooperation and patience in this matter.

Portion of Salem Road to be closed from Trenton Road to the driveway of 107 Salem Road.

Access to all properties on Salem Road will be made from the intersection of Trenton Road and Columbus Drive.
